

We are thrilled to have received The BIG Award (Bullying Intervention Group) for excellence in bullying intervention.

By achieving the BIG Award, Meriden CE Primary has had to provide evidence to:-

- Demonstrate that we are working to an externally agreed standard
- Have consistent and embedded good practice
- Fully include all children and young people
- Tailor our bullying intervention work to suit our needs
- Ensure that every child is enabled to fulfil their true educational potential, or enjoy their community activities, without fear of being bullied

In order to achieve the award, we need to demonstrate the following:

- Evidence of having a Bullying Intervention Focus Group
- A robust Anti-Bullying Policy
- Regular Staff Training
- Involve parents and carers
- Pupils' peer support or mentoring system
- Regular awareness raising activities
- Testimonial from a young person
- Recording and monitoring of bullying incidents
