

Communication and Language

We will help your child to:

- Enjoy listening to longer stories and can remember much of what happens.
- Sing a large repertoire of songs.
- Know many rhymes, be able to talk about familiar books, and be able to tell a long story.
- Be able to express a point of view and to debate when they disagree with an adult or a friend, using words as well as actions.
- Start a conversation with an adult or a friend and continue it for many turns.

Physical Development

Your child will be taught to:

- Start taking part in some group activities which they make up for themselves, or in teams.
- Use a comfortable grip with good control when holding pens and pencils.
- Start to eat independently and learning how to use a knife and fork.
- Make healthy choices about food, drink, activity and tooth brushing.

Personal, Social and Emotional Development

Your child will be encouraged to:

- Help to find solutions to conflicts and rivalries. For example, accepting that not everyone can be Spider-Man in the game, and suggesting other ideas
- Develop appropriate ways of being assertive.
- Talk with others to solve conflicts.

Literacy Development

We will help your child learn to:

- Engage in extended conversations about stories, learning new vocabulary.
- Use some of their print and letter knowledge in their early writing. For example: writing a pretend shopping list that starts at the top of the page; write 'm' for mummy.
- Write all of their name.
- Write some letters accurately
- Read individual letters by saying the sounds for them.
- Count or clap syllables in a word.
- Blend sounds into words, so that they can read short words made up of known letter-sound correspondences.

Nursery Summer Term: 'Healthy us' and 'Holidays'

Mathematics

Your child will learn to:

- Link numerals and amounts: for example, showing the right number of objects to match the numeral, up to 5.
- Experiment with their own symbols and marks as well as numerals
- Solve real world mathematical problems with numbers up to 5.
- Talk about and explore 2D and 3D shapes (for example, circles, rectangles, triangles and cuboids) using informal and mathematical language: 'sides', 'corners'; 'straight', 'flat', 'round'.
- Discuss routes and locations, using words like 'in front of' and 'behind'.
- Extend and create ABAB patterns, notice and correct an error in a repeating pattern.
- Begin to describe a sequence of events, real or fictional, using words such as 'first', 'then', 'later on'...

Expressive Arts and Design

We will help your child to:

- Make imaginative and complex 'small worlds' with blocks and construction kits, such as a city with different buildings and a park.
- Develop their own ideas and then decide which materials to use to express them.
- Use drawing to represent ideas like movement or loud noises.
- Sing the pitch of a tune sung by another person (pitch match)

Understanding of the World

Children will be able to:

- Explore and talk about different forces they can feel.
- Talk about the differences between materials and changes they notice.
- Continue to develop positive attitudes about the differences between people.
- Know that there are different countries in the world and talk about the differences they have experienced or seen in photos.
